## **WORKSHOP**

***"How to be Creative in Research and Become a Great Scientist"***

**by dr. Richard Wheeler**

---

### **ABOUT THE LECTURE**

In this lecture, Richard will discuss how to become a great scientist, and why you should devote your life to research. Covers some of the science of being creative, and includes practical advice for generating new ideas. The lecture concludes with an Ask Me Anything open discussion.

### **ABOUT THE PRESENTER**

Dr. Richard Wheeler has a long background in science, spending much of his life at the University of Edinburgh and as Research Manager of labs around Europe. He is an expert in artificial intelligence and an experienced EU project manager, and is also Chair or Vice-Chair of a number of EU calls.
